

YC Awards Ceremony  
May 24, 2025

60+ Club members enjoyed a beautiful What a beautiful h at the home of Regina & Dave Brucki. What a beautiful home. They accommodated the group with ease and poise. Obviously, not their first rodeo. Captain Cocktail did another wonderful job serving a featured mystery drink and Cindy made sure there were plenty of appetizers and a great chicken dinner. Although it was a little chilly there were sufficient space heaters and fire places.

After dinner, Commodore Greg Pierce did the honors of awarding the trophies or as we say returning them to the proverbial winner Ken Schroeder.

The Club sails every Sunday morning between Memorial Day and Labor Day. First horn is 10:30 am. We now have 13 registered boats in the fleet. It's really exciting to watch the strategy and seamanship of our skippers. Make it a point to come out and cheer for your favorite. Look for all of the Clubs trophies which will now be on display in the MPOA front window.
